S I N C E 2 0 0 2

Two decades of nurturing talent.

Talents College Mukono opened its doors in February 2002 with a simple conviction: every young person carries a talent worth discovering. Two decades later, that conviction has grown into a full O and A Level secondary school registered with Uganda's Ministry of Education and Sports (Reg. No. ME/22/3549).

Our campus in Nabuti Village, Mukono, sits about a kilometre from Mukono Town Council — close enough to the heartbeat of the town, far enough to give our students the calm they need to study, play and grow.

We are a mixed school offering both day and boarding places. That mix is deliberate: students who board and students who go home each evening learn from each other, and families choose the arrangement that fits their circumstances rather than the one the school prefers.

OUR VISION

To be a leading centre of holistic education in Uganda.

Producing confident, capable and principled young people ready to lead in their communities and professions.

OUR MISSION

Discover talent. Deliver excellence. Develop character.

We provide a secure, versatile learning environment where every student is known, stretched academically and supported to grow their unique gifts.

WHAT WE STAND FOR

Six values, taught and expected.

These are not wall decorations. They are the standards students are held to, and the standards staff are held to.

Excellence

We hold ourselves to the highest academic and personal standards.

Integrity

Honesty, respect and responsibility guide every interaction.

Community

We serve one another, our families and the wider Mukono community.

Creativity

We celebrate curiosity and the courage to try new things.

Discipline

Structure and self-mastery unlock every learner's potential.

Purpose

Every learner leaves with clarity about who they are and where they're going.

LEADERSHIP

The people who lead our school.

Head Teacher

Head of School

Deputy Head — Academics

Academic Affairs

Deputy Head — Welfare

Boarding & Pastoral Care

Director of Studies

Curriculum & Examinations

Bursar

Finance & Administration

Chaplain / Counsellor

Guidance & Support

To reach any member of staff, write to the office and mark your message for their attention — we will pass it on the same working day.

ACADEMICS

A rigorous, well-rounded curriculum.

Our O and A Level programs balance academic depth, practical skills and character formation — preparing students for national examinations and life beyond school.

ORDINARY LEVEL

O Level (S.1 – S.4)

A broad foundation across sciences, humanities, languages and practical subjects — preparing students for the Uganda Certificate of Education (UCE).

English Mathematics Physics Chemistry Biology History & Political Education Geography
 CRE / IRE Literature in English Luganda Kiswahili ICT Entrepreneurship Agriculture Fine Art
 Physical Education

ADVANCED LEVEL

A Level (S.5 – S.6)

Focused subject combinations preparing students for the Uganda Advanced Certificate of Education (UACE) and university entry.

ACADEMIC YEAR

The year at a glance.

TERM	DATES	HIGHLIGHTS
Term 1	Feb 03 – May 02, 2026	Sports gala · MDD · Prefectorial elections
Term 2	May 26 – Aug 22, 2026	Music, dance & drama · UCE mocks · Prom · Career expo
Term 3	Sep 15 – Dec 05, 2026	National examinations · Science & Innovation Exhibition

Term dates follow the Ministry of Education & Sports calendar and are confirmed each year. Check talentscollege ug/media for the current term.

STUDENT LIFE

School is more than lessons.

Talent shows up on a stage, on a pitch and in a lab as much as it does in an exercise book. Every student is expected to find something outside the classroom and stay with it.

Sports

Football, netball, volleyball, basketball, athletics and swimming — competitive and recreational.

Music, Dance & Drama

Choir, traditional dance troupes, drama club and an annual MDD festival that draws the whole community.

ICT Lab

Modern computer lab with high-speed internet supporting the ICT curriculum and coding club.

Library

A well-stocked library with study zones, reference materials and digital learning resources.

BOARDING & WELFARE

Nobody drifts quietly in a large class.

We operate separate, well-supervised boys' and girls' boarding houses with resident matrons and patrons. Each student is assigned a class teacher who follows their progress across the year and is the first point of contact for parents. All staff are vetted before appointment and work to a written code of conduct covering discipline, welfare and student protection; concerns route straight to the Deputy Head — Welfare.

F E E S

What it costs, in full.

Fees are quoted per term in Uganda Shillings. There are no hidden charges: anything not listed here is optional and will be put to you in writing before it is asked for.

LEVEL	DAY	BOARDING
Senior 1 – Senior 4 (O Level)	UGX 850,000	UGX 1,350,000
Senior 5 – Senior 6 (A Level)	UGX 1,000,000	UGX 1,500,000
Requirements & uniforms (once per year)	UGX 250,000	UGX 350,000

Fees can be paid at the school bursar's office, via bank transfer, or through Mobile Money using the numbers issued each term.

H O W T O A P P L Y

Four steps, start to finish.

01

Get the form

Download the application form from talentscollege.ug/admissions, or collect one from the office. You can also apply entirely online — same questions, and you keep your reference number immediately.

02

Gather the documents

Birth certificate or National ID, two passport photographs, previous report cards (PLE / UCE as applicable), a recommendation letter from the previous school, and the application fee receipt.

03

Submit

Hand the completed form and attachments to the admissions office, or submit online. You will be given a reference number — keep it.

04

Check your status

Track the application at talentscollege.ug/admissions/check-status using your reference number. The office responds to inquiries within two working days.

When can I apply?

Applications for the following academic year open every June. Late applications are accepted subject to available places.

Do you offer scholarships?

Yes — a limited merit and needs-based scholarship program runs each year for outstanding S.1 and S.5 candidates.

SCHOOL ANTHEM

Rise, Talents, rise — with wisdom in our hands
We climb the hills of Mukono, we serve our dear land
With truth and toil, with heart and skill
We build our future, we shape our will.

Come and see for yourself.

Book a campus tour any weekday from 9AM to 4PM.
